

Answers & Low Prices Down Every Aisle <sup>SM</sup>

## **NEWS RELEASE**

**-For Immediate Release:**

### **Orscheln Farm & Home is opening soon in Basehor**

Orscheln Farm and Home announces their newest store scheduled to open next spring in Basehor, Kansas at 15256 Wolf Creek Parkway. The new 43,000 plus square foot location will sell essential supplies, from eleven major categories, to rural American customers like you. These categories include lawn and garden, farm supplies and livestock feed, animal health, pet food and supplies, hardware, plumbing, electrical, automotive, toys, housewares and clothing. The store will employ approximately 20 people.

Orscheln Operations Manager, Dave Hult says, "We feel the growing Basehor community will be a great addition to our company and we are excited about the new store there."

The Orscheln family opened their first retail store in 1960 in Sedalia, Missouri. Including new stores opening next spring, the privately owned company now owns and operates 155 stores located in 9 states consisting of Missouri, Kansas, Iowa, Arkansas, Oklahoma, Nebraska, Illinois, Kentucky and Indiana. All operations originate from the corporate offices in Moberly, Missouri, which is also the home of their retail support center and one Orscheln Farm and Home store. For more Orscheln Farm & Home locations, please visit [www.orschelnfarmhome.com](http://www.orschelnfarmhome.com).

Orscheln is in its third generation as a private business enterprise and has been serving Midwest communities for over 50 years with answers and low prices down every aisle. The corporate philosophy promotes a commitment to keeping rural America alive, strong and growing. As a result, Orscheln continually strives to improve their product selection and services to meet the everyday needs and expectations of today's farm and suburban customers.

Orscheln Farm & Home looks forward to serving the community of Basehor with "Answers & Low Prices Down Every Aisle." <sup>SM</sup>
