Office of the Secretary of State / Elections Division
Petition For Recall of Elected Official **Form RP**

I, the undersigned, hereby seek the recall of IRIS DYSART from the office of City Council of Basehor, Kansas on the ground(s) that: (state specific grounds) The recall of Iris Dysart is requested on the grounds of failure to perform duties prescribed by law, Kansas Statute 25-4302 subsection (a). An article in the Basehor Sentinel on September 22, 2011 reported Councilman Mertz made a surprise motion to terminate the City Administrator's contract at the September 19th meeting. The item was not on the agenda. Regarding the surprise motion, Mertz said "I just took a shot at what I thought was right". Meeting minutes state that Councilwoman Dysart called for a vote without discussion of the motion. In the article, Councilman Box would not comment on why he voted as he did but said the motion did not surprise him. He stated, "I knew it was coming up". Council members Mertz, Dysart and Box violated Kansas Statute 75-4317 subsection (a) by preventing an informed electorate based on their actions and their quoted statements. The statements by Mertz and Box and the actions by Dysart to call for a vote without discussion show that discussion had taken place outside of a City Council meeting which violates Kansas Statute 75-4318. (See attachment) and declare that I am a registered elector of Leavenworth County, Kansas, and of the election district of the officer named above.

Petition For Recall of Elected Official **Form RP**

I, the undersigned, hereby seek the recall of IRIS DYSART from the office of City Council of Basehor, Kansas on the ground(s) that: (state specific grounds) The recall of Iris Dysart is requested on the grounds of failure to perform duties prescribed by law, Kansas Statute 25-4302 subsection (a). An article in the Basehor Sentinel on September 22, 2011 reported Councilman Mertz made a surprise motion to terminate the City Administrator's contract at the September 19th meeting. The item was not on the agenda. Regarding the surprise motion, Mertz said "I just took a shot at what I thought was right". Meeting minutes state that Councilwoman Dysart called for a vote without discussion of the motion. In the article, Councilman Box would not comment on why he voted as he did but said the motion did not surprise him. He stated, "I knew it was coming up". Council members Mertz, Dysart and Box violated Kansas Statute 75-4317 subsection (a) by preventing an informed electorate based on their actions and their quoted statements. The statements by Mertz and Box and the actions by Dysart to call for a vote without discussion show that discussion had taken place outside of a City Council meeting which violates Kansas Statute 75-4318. Petition For Recall of Elected Official

I, the undersigned, hereby seek the recall of IRIS DYSART from the office of City Council of Basehor, Kansas on the ground(s) that: (state specific grounds) The recall of Iris Dysart is requested on the grounds of failure to perform duties prescribed by law, Kansas Statute 25-4302 subsection (a). An article in the Basehor Sentinel on September 22, 2011 reported Councilman Mertz made a surprise motion to terminate the City Administrator's contract at the September 19th meeting. The item was not on the agenda. Regarding the surprise motion, Mertz said "I just took a shot at what I thought was right". Meeting minutes state that Councilwoman Dysart called for a vote without discussion of the motion. In the article, Councilman Box would not comment on why he voted as he did but said the motion did not surprise him. He stated, "I knew it was coming up". Council members Mertz, Dysart and Box violated Kansas Statute 75-4317 subsection (a) by preventing an informed electorate based on their actions and their quoted statements. The statements by Mertz and Box and the actions by Dysart to call for a vote without discussion show that discussion had taken place outside of a City Council meeting which violates Kansas Statute 75-4318. (See attachment) and declare that I am a registered elector of Leavenworth County, Kansas, and of the election district of the officer named above.
